A Wrinkle in Time Madeleine L'Engle 2019-07-18 A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

The Rejection Collection Vol. 2 Matthew Diffee 2007-10-30 Each week The New Yorker receives more than five hundred submissions from its regular cartoonists, who are all vying for one of the twenty coveted spots in the magazine. So what happens to the 75 percent of cartoons that don't make the cut? Some go back in a drawer, others go up on the refrigerator or into the filing cabinet...but the very best of all the rejects can be found right here in these pages. The Rejection Collection Vol. 2: The Cream of the Crap is the ultimate scrap heap of creative misfires -- from the lowbrow and the dirty to the politically incorrect and the weird, these rejects represent the best of the worst...in the best possible sense of the word. Handpicked by editor Matthew Diffee, these hilarious cartoons are accompanied by handwritten questionnaires and photographed self-portraits, providing a rare glimpse into the minds of the artists behind the rejection. With appendices that explore the top ten reasons why cartoons are rejected and examine the solitary nature of the job of cartooning -- plus a special bonus section of questions asked of and answered by cartoon editor Robert Mankoff -- this sequel to The Rejection Collection offers even deeper insight into the exercise in frustration, patience, and amusement that is being a New Yorker cartoonist. Warped, wicked, and wildly funny, The Rejection Collection Vol. 2 will appeal to every New Yorker fan -- and everyone with a taste for the absurd.

The Absolutely True Diary of a Part-Time Indian Sherman Alexie 2012-01-10 Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.
The Negro Motorist Green Book Victor H. Green The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

In a world of rascally rabbits, megalomaniacal ducks, and stuttering pigs, what defines greatness? This question was posed to thousands of cartoon fans, historians, and animators to create The 100 Greatest Looney Tunes Cartoons, the definitive Looney Tunes collection. Jerry Beck and the Cartoon Brew team of animation experts reveal the amusing anecdotes and secret origins behind such classics as "What's Opera, Doc?," "One Froggy Evening," and "Duck Dodgers in the 24½th Century." Featuring more than 300 pieces of original art from private collectors and the Warner Bros. archives, The 100 Greatest Looney Tunes Cartoons settles the debate on the best of the best, and poses a new question: Is your favorite one of the greatest?
The Wisdom of Crowds James Surowiecki 2005-08-16 In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.
Popular Science 2005-09 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Station Eleven Emily St. John Mandel 2014-09-09 NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, Sea of Tranquility, coming soon!
