Mash Richard Hooker 2009-03-17 Before the movie, this is the novel that gave life to Hawkeye Pierce, Trapper John, Hot Lips Houlihan, Frank Burns, Radar O'Reilly, and the rest of the gang that made the 4077th MASH like no other place in Korea or on earth. The doctors who worked in the Mobile Army Surgical Hospitals (MASH) during the Korean War were well trained but, like most soldiers sent to fight a war, too young for the job. In the words of the author, "a few flipped their lids, but most of them just raised hell, in a variety of ways and degrees." For fans of the movie and the series alike, here is the original version of that perfectly corrupt football game, those martini-laced mornings and sexual escapades, and that unforgettable foray into assisted if incompletd suicide--all as funny and poignant now as they were before they became a part of America's culture and heart.

Television Cartoon Shows Hal Erickson 1995 In 1949 the first made-for-television cartoon series debuted on a major network. Tele-Comics embraced the popular cliffhanger serial genre, using nonmoving comic strip panels and a handful of radio actors to produce a show at a fraction of the cost accrued by a live show. Despite the success of Tele-Comics and a few other such shows, television cartoons languished until 1954 when Walt Disney produced Disneyland. From such pioneers as Tele-Comics and Crusader Rabbit to modern fare such as X-Men and Beavis and Butthead, this is the first reference book to detail animated cartoons made exclusively for television from 1949 through 1993. Each entry includes the shows title, network, studios and full production information when available. An essay blending plot description, critical commentary, and background information is also provided for each cartoon. A discussion of the voice artist concludes the work.
