Pop Culture Goes to War Geoff Martin 2010-07-24 Pop Culture Goes to War, by Geoff Martin and Erin Steuter, explores the persistence of and

opposition to militarism in American life. It provides a comprehensive overview of the role of toys, video games, music, television and movies in supporting contemporary militarism. Resistance to militarism is highlighted through the traditional mediums of music and movies, and increasingly through the arts, 'culture jamming,' and the satire of The Daily Show, The Onion, The Simpsons, The Colbert Report, and South Park.

MORAN OF THE LADY LETTY Frank Norris 2017-04-19 ♦This is to be a story of a battle, at least one murder, and several sudden deaths. For that reason it begins with a pink tea and among the mingled odors of many delicate perfumes and the hale, frank smell of Caroline Testout roses. There had been a great number of debutantes "coming out" that season in San Francisco by means of afternoon teas, pink, lavender, and otherwise. This particular tea was intended to celebrate the fact that Josie Herrick had arrived at that time of her life when she was to wear her hair high and her gowns long, and to have a "day" of her own quite distinct from that of her mother.

The Lost Group Theatre Plays John Howard Lawson 2011-06-01 For the first time in over 75 years, three of the 'lost' plays presented by the famed Group Theatre are now back in print. A huge part of American Theatrical History is now available to the public! The book features '1931-' by Claire and Paul Sifton, and 'Success Story' and 'Gentlewoman' by John

Howard Lawson. Foreword by the legendary Estelle Parsons, with additional material by George Bartenieff, Jonathan Chambers, Jeffrey Lawson and Allie Mulholland. '1931-' by Claire & Paul Sifton is the story of Adam, who is fired from his warehouse job at the start of the play. Proud and determined, he sets out to find another job, only to find hundreds of other men in the same situation. Without a paycheck, Adam soon realizes how much he has to lose; health, dignity, hope, and possibly even the young shop girl he loves. Alternately, it is the story of all the men, young and old in Adam's situation. These are the men who sleep in the parks, beg for coins and even turn to crime when there seems to be no other option. When their story and Adam's comes to a head at the gripping finale, there is only one way left to turn: revolution. One of the preeminent playwrights of the early 20th century, John Howard Lawson was the first playwright to have 2 plays presented by the Group Theatre. **SUCCESS STORY** is a classic tale of ambition, the American Dream and what actually constitutes "success." Set in the New York advertising agency, we follow the rise of Sol Ginsburg and his struggles for contentment, before and after, the 1929 stockmarket crash. In 1934, The Group presented Mr. Lawson's **GENTLEWOMAN**. It is the story of socialite, Mrs. Gwyn Ballantine, who falls for the "inspired Bohemian" Rudy Flannigan. After it is discovered her husband has been committing scandalous business deals, Gwyn is tempted to pursue her passions for the poet Flannigan, despite their conflicting social standing. Can she turn her back on her privileged status and extravagant tastes in the name of love?

The Classical Liberal Case for Israel Walter E. Block 2021-11-02 This book offers a unique perspective on the State of Israel based on classical liberalism, both on a historical and theoretical level. Specifically, it makes a classical liberal and libertarian analysis based upon homesteading and private property rights to defend the State of Israel. As such, this work explores the history of the Jewish State, both to provide a positive case for

its right to exist, and to clarify the myths surrounding its origin and development. At the same time, it deals with other relevant related subjects, such as the complex situation between Israel and the Palestinian Arabs, the military campaigns against the Jewish State, the connection between anti-Zionism and anti-Semitism, and Israel's economic miracle. The thorough analysis presented in this work intends to show not only why the voices and movements against Israel are wrong (including the Boycott, Divestment and Sanctions movement, BDS), but more importantly, why Israel is an example of human flourishing and freedom that every advocate for liberty should celebrate. The Classical Liberal Case for Israel makes the practical and moral case for Israel. It is based on truths and facts that need to be repeated over and over. Block & Futerman understand that the only way to defeat a big lie is with a big truth. Benjamin Netanyahu, Prime Minister of the State of Israel, Jerusalem, Israel Classical Liberalism, often associated with the spread West from Northern Europe in creating free nations, is argued here as applying to Israel, with ancient roots in the principles of human freedom. The Negro Motorist Green Book Victor H. Green The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Barbaric Intercourse Martha Banta 2003-01-15 *Barbaric Intercourse* tells the story of a century of social upheaval and the satiric attacks it inspired in leading periodicals in both England and America. Martha Banta explores the politics of caricature and cartoon from 1841 to 1936, devoting special attention to the original *Life* magazine. For Banta, *Life* embodied all the strengths and weaknesses of the Progressive Era, whose policies of reform sought to cope with the frenetic urbanization of New York, the racist laws of the Jim Crow South, and the rise of jingoism in the United States. *Barbaric Intercourse* shows how *Life's* take on these trends and events resulted in satires both cruel and enlightened. Banta also deals extensively with London's *Punch*, a sharp critic of American nationalism, and draws from images and writings in magazines as diverse as *Puck*, *The Crisis*, *Harper's Weekly*, and *The International Socialist Review*. Orchestrating a wealth of material, including reproductions of rarely seen political cartoons, she offers a richly layered account of the cultural struggles of the age, from contests over immigration and the role of the New Negro in American society, to debates over Wall Street greed, women's suffrage, and the moral consequences of Western expansionism. Nothing to See Here Kevin Wilson 2019-10-29 A New York Times Bestseller • A Read with Jenna Today Show Book Club Pick! Named a Best Book of the Year by The New York Times Book Review, The Washington Post, People, Entertainment Weekly, USA Today, TIME, The A.V. Club, BuzzFeed, and PopSugar “I can’t believe how good this book is.... It’s wholly original. It’s also perfect.... Wilson writes with such a light touch.... The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn’t see coming. You’re laughing so hard you don’t even realize that you’ve suddenly caught fire.” —Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they’ve barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison’s twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there’s a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it’s the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison’s

buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn’t this be the start of the amazing life she’d always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.

Young Ada is troubled, prone to violent fits. Born "with one foot on the other side," she begins to develop separate selves within her as she grows into adulthood. And when she travels to America for college, a traumatic event on campus crystallizes the selves into something powerful and potentially dangerous, making Ada fade into the background of her own mind as these alters—now protective, now hedonistic—move into control. Why We're Polarized Ezra Klein 2020-01-28 One of Bill Gates's "5 books to read this summer," this New York Times and Wall Street Journal bestseller shows us that America's political system isn't broken. The truth is scarier: it's working exactly as designed. In this "superbly researched" (The Washington Post) and timely book, journalist Ezra Klein reveals how that

system is polarizing us—and how we are polarizing it—with disastrous results. “The American political system—which includes everyone from voters to journalists to the president—is full of rational actors making rational decisions given the incentives they face,” writes political analyst Ezra Klein. “We are a collection of functional parts whose efforts combine into a dysfunctional whole.” “A thoughtful, clear and persuasive analysis” (The New York Times Book Review), *Why We’re Polarized* reveals the structural and psychological forces behind America’s descent into division and dysfunction. Neither a polemic nor a lament, this book offers a clear framework for understanding everything from Trump’s rise to the Democratic Party’s leftward shift to the politicization of everyday culture. America is polarized, first and foremost, by identity. Everyone engaged in American politics is engaged, at some level, in identity politics. Over the past fifty years in America, our partisan identities have merged with our

racial, religious, geographic, ideological, and cultural identities. These merged identities have attained a weight that is breaking much in our politics and tearing at the bonds that hold this country together. Klein shows how and why American politics polarized around identity in the 20th century, and what that polarization did to the way we see the world and one another. And he traces the feedback loops between polarized political identities and polarized political institutions that are driving our system toward crisis. “Well worth reading” (New York magazine), this is an “eye-opening” (O, The Oprah Magazine) book that will change how you look at politics—and perhaps at yourself.
