The Presidogs of the United States of Pawmerica Todd Brown 2017-01-07 Sit. Stay. LEAD!The Presidogs of the United States of Pawmerica is a re-imagining of history, telling the story of the forty-four men who have led this nation as if they were furry, fun-loving dogs. How would a rambunctious pooch have handled the Embargo Act of 1807? Or the Cuban Missile Crisis? Or a Civil War?! This coffee table book answers these questions, as well as provides the reader with an endless supply of historical and pawlittically charged puppy puns. Consti-CHEW-tion, anyone?Since every president is matched to a different breed of dog, this full color volume provides the reader with a concise personality profile for each represented breed.It's a great gift idea for animal lovers, history buffs, goofballs, hipsters, and children of all ages. Learn about history! Learn about dogs! All while laughing your silly head off. The Presidogs of the United States of Pawmerica is a quirky, educational and thoroughly adogable read for the whole family!

The Simpsons Matt Groening 1997-10-04 It's hard to believe that the Simpsons have been around for more than a decade. Today, The Simpsons is the longest-running animated series of all time (dethroning The Flintstones in February 1997), and an intrinsic part of pop culture. The Simpsons Complete Guide to your Favourite Show is a celebration of this family's phenomenal decade. Arranged by season, the book covers each episode of the television show, with the special episodes (the annual Halloween show, "Who Shot Mr. Burns?" and "Krusty Gets Cancelled") receiving eyeball-busting two-page spreads. In addition, special sidebars are sprinkled throughout, showing: Simpsons firsts Bart's chalkboard lines Top Homerisms An Itchy & Scratchy filmography A Springfield timeline Things the audience may have missed Highlighting the best of every show, The Simpsons is the ultimate celebration of the cartoon family that has kept the world in stitches. It is the ultimate must-have for all Simpsons aficionados.

He Walks with Dragons Stanley S. Thornton 2013-04-30 "He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

Rock, Ghost, Willow, Deer Allison Hedge Coke 2004-01-01 "A name creates life patterns," Allison Adelle Hedge Coke writes, "which form and shape a life; my life, like my name, must have been formed many times over then handed to me to realize." Rock, Ghost, Willow, Deer is Hedge Coke's narrative of that realization, the award-winning poet and writer's searching account of her life as a mixed-blood woman coming of age off-reservation, yet deeply immersed in her Cherokee and Huron heritage. In a style at once elliptical and achingly clear, Hedge Coke describes her schizophrenic mother and the abuse that often overshadowed her childhood; the torments visited upon her, the rape and physical violence; and those she inflicted on herself, the alcohol and drug abuse. Yet she managed to survive with her dreams and her will, her sense of wonder and promise undiminished. The title Rock, Ghost, Willow, Deer refers to the life-revelations that brought Hedge Coke through her trials, the melding of language and experience that has brought order to her life. In this book, Hedge Coke shares the insights she has gathered along the way, insights that touch on broader Native issues such as modern life in the diaspora; the threat of alcohol, drug abuse, and violence; and the ongoing onslaught on self amid a complex, mixed heritage.

Breakups Blow! Rebecca Cardon 2013-01-31 We've all been there; what seemed like the perfect man or woman at the time has left our heart in pieces. The weeks following a breakup are usually consumed by unbearable grief, hours in bed and multiple cartons of Ben and Jerry's. Rather than keep up this vicious cycle following the demise of one's relationship, Cardon offers various ways to break the cycle and move on in "Breakups Blow!"In a humorous, honest and heartfelt manner, Cardon uses her personal experiences and heartbreaks to help readers move through their own breakup wounds. The author feels that she has done the legwork on what eases the pain of a broken heart, and she has included it in "Breakups Blow!" to help her fellow woman. After reviewing a journal she had kept over the years, Cardon began to notice a pattern to her relationships."My patterns were astounding, and with each mind-numbing breakup, I learned through trial and error what works for moving forward and what keeps you stuck," Cardon says. "I wish I had a book like 'Breakups Blow!' when I was going through my breakups."

Stan the Plant-eater Stephen Bedwell 2017-08-31 Is it possible to be a young child and love whole, plant-based foods? It sure is, and Stan of Stan the Plant-eater is a shining example. Stan the Plant-eater is a fun and entertaining book that is simple and to-the-point for young children. Through the use of rhythmic poetry, children are encouraged to eat whole, plant-based foods and be friends with animals. Stan is a young boy who is a compassionate, kind and loving role-model. He is very excited about healthy food and eating lots of it. But, there are some things that he just won't eat. Young children, as well as the adult reading with them, are provided with ideas for meals and for ways to be kind to animals. Stan the Plant-eater presents the message of health and non-violence in a style that captures the hearts and laughter of children.
