Los Angeles Magazine 2003-11 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The Poisoner's Handbook Deborah Blum 2011-01-25 Equal parts true crime, twentieth-century history, and science thriller, *The Poisoner's Handbook* is "a vicious, page-turning story that reads more like Raymond Chandler than Madame Curie." –The New York Observer "The Poisoner's Handbook breathes deadly life into the Roaring

Twenties." –Financial Times "Reads like science fiction, complete with suspense, mystery and foolhardy guys in lab coats tipping test tubes of mysterious chemicals into their own mouths." –NPR: What We're Reading A fascinating Jazz Age tale of chemistry and detection, poison and murder, *The Poisoner's Handbook* is a page-turning account of a forgotten era. In early twentieth-century New York, poisons offered an easy path to the perfect crime. Science had no place in the Tammany Hall-controlled coroner's office, and corruption ran rampant. However, with the appointment of chief medical examiner Charles Norris in 1918, the poison game changed forever. Together with toxicologist Alexander Gettler, the duo set the justice system on fire with their trailblazing scientific detective work, triumphing over seemingly unbeatable odds to become the pioneers of forensic chemistry and the gatekeepers of justice. In 2014, PBS's AMERICAN EXPERIENCE released a film based on *The Poisoner's Handbook*.

The Advocate 2003-08-19 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Until Someone Gets Hurt Sherrie Lueder 2013-04-25 "The breathtaking scope, complexity and theatrics of this scam and these con men rivals any Hollywood movie."-- Kamala Harris, Attorney General for the State of CaliforniaJoin International Best Selling Author, Sherrie Lueder and her literary team, Dawn Taarud-Martinez and Kim Hansen, along with Tyson Wrensch--a former friend, now victim, of the con men as they untangle the threads of this decade long crime spree filled with twists, turns and jaw-dropping revelations. With a cast of characters drawn from San Francisco's Castro District, follow the "Dark Prince" and "the Boiz" as they take you from one con to the next--until a single brazen act leads to murder. However, the story doesn't end there. Prepare to experience the dramatic courtroom trials that no one predicted and the shocking ending that no one expected--not even the judge."Until Someone Gets Hurt" contains exclusive insight into the

methods and actions of the murderers--as told by a "former driver" Dennis Domine.As seen on truTV.com's Crime Library "Notorious Murderers-Timeless Classics" - "Kaushal Niroula and the Gay Grifters" and Investigation Discovery's New Series "Forbidden" (Series 1 Episode 9) "Prince of Darkness", a documentary about Kaushal Niroula (Includes appearances and interviews with authors Sherrie Lueder and Tyson Wrensch.) ~~~~~ Characters: Kaushal Niroula, a/k/a the "Dark Prince", Daniel Garcia, David Replogle, Miguel Bustamante, Craig McCarthy, Russell Manning, Clifford Lambert, Tyson Wrensch, Dennis Domine, Thomas White UPDATE: Thomas White died in a Mexican hospital Tuesday, September 10, 2013 of pneumonia.

Ambiguous Loss Pauline BOSS 2009-06-30 When a loved one dies we mourn our loss. We take comfort in the rituals that mark the passing, and we turn to those around us for support. But what happens when there is no closure, when a family member or a friend who may be still alive is lost to us nonetheless? How, for example, does the mother whose soldier son is missing in action, or the family of an Alzheimer's patient who is suffering from severe dementia, deal with the uncertainty surrounding this kind of loss? In this sensitive and lucid account, Pauline Boss explains that, all too often, those confronted with such ambiguous loss fluctuate between hope and hopelessness. Suffered too long, these emotions can deaden feeling and make it impossible for people to move on with their lives. Yet the central message of this book is that they can move on. Drawing on her research and clinical experience, Boss suggests strategies that can cushion the pain and help families come to terms with their grief. Her work features the heartening narratives of those who cope with ambiguous

loss and manage to leave their sadness behind, including those who have lost family members to divorce, immigration, adoption, chronic mental illness, and brain injury. With its message of hope, this eloquent book offers guidance and understanding to those struggling to regain their lives. Table of Contents: 1. Frozen Grief 2. Leaving without Goodbye 3. Goodbye without Leaving 4. Mixed Emotions 5. Ups and Downs 6. The Family Gamble 7. The Turning Point 8. Making Sense out of Ambiguity 9. The Benefit of a Doubt Notes Acknowledgments Reviews of this book: You will find yourself thinking about the issues discussed in this book long after you put it down and perhaps wishing you had extra copies for friends and family members who might benefit from knowing that their sorrows are not unique...This book's value lies in its giving a name to a force many of us will confront--sadly, more than once--and providing personal stories based on 20 years of interviews and research. --Pamela Gerhardt, Washington Post Reviews of this book: A compassionate exploration of the effects of ambiguous loss and how those experiencing it handle this most devastating of losses ... Boss's approach is to encourage families to talk together, to reach a consensus about how to mourn that which has been lost and how to celebrate that which remains. Her simple stories of families doing just that contain lessons for all. Insightful, practical, and refreshingly free of psychobabble. --Kirkus Review Reviews of this book: Engagingly written and richly rewarding, this title presents what Boss has learned from many years of treating individuals and families suffering from uncertain or incomplete loss...The obvious depth of the author's understanding of sufferers of ambiguous loss and the facility with which she communicates that

understanding make this a book to be recommended. --R. R. Cornelli, Choice Reviews of this book: Written for a wide readership, the concepts of ambiguous loss take immediate form through the many provocative examples and stories Boss includes, All readers will find stories with which they will relate...Sensitive, grounded and practical, this book should, in my estimation, be required reading for family practitioners. --Ted Bowman, Family Forum Reviews of this book: Dr. Boss describes [the] all-too-common phenomenon [of unresolved grief] as resulting from either of two circumstances: when the lost person is still physically present but emotionally absent or when the lost person is physically absent but still emotionally present. In addition to senility, physical presence but psychological absence may result, for example, when a person is suffering from a serious mental disorder like schizophrenia or depression or debilitating neurological damage from an accident or severe stroke, when a person abuses drugs or alcohol, when a child is autistic or when a spouse is a workaholic who is not really 'there' even when he or she is at home...Cases of physical absence with continuing psychological presence typically occur when a soldier is missing in action, when a child disappears and is not found, when a former lover or spouse is still very much missed, when a child 'loses' a parent to divorce or when people are separated from their loved ones by immigration...Professionals familiar with Dr. Boss's work emphasised that people suffering from ambiguous loss were not mentally ill, but were just stuck and needed help getting past the barrier or unresolved grief so that they could get on with their lives. --Asian Age Combining her talents as a compassionate family therapist and a creative researcher, Pauline Boss

eloquently shows the many and complex ways that people can cope with the inevitable losses in contemporary family life. A wise book, and certain to become a classic. --Constance R. Ahrons, author of *The Good Divorce* A powerful and healing book. Families experiencing ambiguous loss will find strategies for seeing what aspects of their loved ones remain, and for understanding and grieving what they have lost. Pauline Boss offers us both insight and clarity. --Kathy Weingarten, Ph.D, The Family Institute of Cambridge, Harvard Medical School

The Psychosocial Implications of Disney Movies Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Ada Twist, Scientist Andrea Beaty 2016-09-06 A #1 New

York Times Bestseller A Wall Street Journal Bestseller A USA Today Bestseller The creators of the New York Times bestselling picture books *Rosie Revere, Engineer* and *Iggy Peck, Architect* are back with a story about the power of curiosity in the hands of a child who is on a mission to use science to understand her world. *Ada Twist, Scientist*, from powerhouse team Andrea Beaty and David Roberts, is a celebration of STEM, perseverance, and passion. Like her classmates, builder Iggy and inventor Rosie, scientist Ada, a character of color, has a boundless imagination and has always been hopelessly curious. Why are there pointy things stuck to a rose? Why are there hairs growing inside your nose? When her house fills with a horrific, toe-curling smell, Ada knows it's up to her to find the source. What would you do with a problem like this? Not afraid of failure, Ada embarks on a fact-finding mission and conducts scientific experiments, all in the name of discovery. But, this time, her experiments lead to even more stink and get her into trouble! Inspired by real-life makers such as Ada Lovelace and Marie Curie, *Ada Twist, Scientist* champions girl power and women scientists, and brings welcome diversity to picture books about girls in science. Touching on themes of never giving up and problem solving, Ada comes to learn that her questions might not always lead to answers, but rather to more questions. She may never find the source of the stink, but with a supportive family and the space to figure it out, she'll be able to feed her curiosity in the ways a young scientist should. *Iggy Peck* and *Rosie Revere* have earned their places among the most beloved children's characters, and they have inspired countless kids and adults to follow their dreams and passions. Now in her own charming and witty picture book, determined Ada

Twist, with her boundless curiosity for science and love of the question "Why?," is destined to join these two favorites. The book is the perfect tool to remind both young girls and women that they have the intelligence and perseverance to achieve their dreams.

Family Guy Volume 1 Seth Mcfarlane 2004-10-12 When he receives a clean bill of health from the hospital, Peter Griffin writes on his chart that he's dead so that he can skip out without paying. Peter may be able to cheat the doctors, but will he be able to cheat death?

Indianapolis Monthly 2004-09 Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.

Cincinnati Magazine 2001-08 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

The Beginning After The End TurtleMe 2021-03-19 I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials,

he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

The Last Kids on Earth and the Midnight Blade Max Brallier 2019 Surviving their first winter after the Monster Apocalypse was no easy feat, yet Jack and his buddies waste no time springing to action against some of the nastiest, most evil monsters around. When Jack discovers his Louisville Slicer has new, otherworldly powers, he's thrown into epic training to find out what kind of destruction the blade can wield. But between fighting off zombies, fleeing from strange, glowy Vine-Thingies erupting from the ground, and squeezing in a video game session or two, there's barely time left to figure out what's wrong with their buddy, Dirk, who's been acting weird any time he's around the undead. When an unexpected villain appears, can Jack and his friends save themselves--and the rest of the world--from cosmic domination?

Making Passwords Secure Dovell Bonnett 2016-03-24 Passwords are not the problem. The management of passwords is the real security nightmare. User authentication is the most ignored risk to enterprise cybersecurity. When end users are allowed to generate, know, remember, type and manage their own passwords, IT has inadvertently surrendered the job title Network Security Manager to employees - the weakest link in the cybersecurity chain. Dovell Bonnett reveals the truth about the elephant in the room that no one wants to mention: Expensive backend security is worthless when

the virtual front door has a lousy lock! Dovell proves that making passwords secure is not only possible, passwords can actually become an effective, cost efficient and user friendly feature of robust cybersecurity. After examining how encryption keys are secured, this book introduces a new strategy called Password Authentication Infrastructure (PAI) that rivals digital certificates. Passwords are not going away. What needs to be fixed is how passwords are managed.

The Wisdom of Crowds James Surowiecki 2005-08-16 In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives,

select our leaders, run our companies, and think about our world.

Unlucky Day J R McLeay 2020-10-19 A lone sniper. Eight million targets. An entire city on edge... A mysterious sniper is killing random New York City citizens at the same time every day. Detective Joe Bannon and his partner Hannah Trimble follow the trail of clues down repeated blind alleys. With citizens fearing to venture outside, the streets of Manhattan have become nearly deserted. When the sniper begins escalating the profile of his targets, higher level government agencies are pulled in. But the shooter always seems to be one step ahead of the law and slips away whenever the authorities get close. As copycat killings begin spreading to other cities across the U.S., the President hatches a dangerous plan to trap the killer. Can Joe and Hannah catch the assassin before he executes the most closely guarded man in history? Catch the excitement - read the reader reviews: "The best thriller I've read in the last 12 months." "Gripping page turner." "Nonstop scary thrill ride." "Couldn't put it down." "The best of the best." "McLeay: A star is born." "A remarkable work." "You need to read this one." Get your pulse pounding today with this unputdownable thriller!

Critical Theory Today Lois Tyson 2012-09-10 Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism,

structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

New York Magazine 1984-10-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Addicted to You Krista Ritchie 2014-05-22 She's addicted to sex. He's addicted to booze...the only way out is rock bottom. No one would suspect shy Lily Calloway's biggest secret. While everyone is dancing at college bars, Lily stays in the bathroom. To get laid. Her compulsion leads her to one-night stands, steamy hookups and events she shamefully regrets. The only person who knows her secret happens to have one of his own. Loren Hale's best friend is his bottle of bourbon. Lily comes at a close second. For three years, they've pretended to be in a real relationship, hiding their addictions from their

families. They've mastered the art of concealing flasks and random guys that filter in and out of their apartment. But as they sink beneath the weight of their addictions, they cling harder to their destructive relationship and wonder if a life together, for real, is better than a lie. Strangers and family begin to infiltrate their guarded lives, and with new challenges, they realize they may not just be addicted to alcohol and sex. Their real vice may be each other.

High in the Clouds Paul McCartney 2006 Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.'

Witch Hollow and the Wrong Spell I. D. Blind 2013-02-01 That spell was wrong! When three young witches, Electra, Cassandra, and Medea, decided to practice witchcraft, they had no idea what consequences the wrong spell could have. Ghosts that scare the townspeople, and an old witch with an eerie wail are their minor problems. Meanwhile, sixteen-year-old Eric O'Brian is sent to live in the small town of Hollow as a punishment for his truancy and bad behavior. Shortly he finds out that the beautiful town full of colorful ravines, green highlands, and dense forests, is not an ordinary one: flowers that whisper, a strange Old Curiosity Shop that steals the time, and a hanged man coming to life on the Halloween night lead him to believe that Hollow is a mystical place inhabited by witches. After meeting the mysterious girls and befriending them, Eric becomes a part of the world with time traveling, medieval bards, flying brooms, and paintings with parallel reality. Then a murder happens in Hollow... Man and His Symbols Carl Gustav Jung 1964 Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level

The Hidden Brain Shankar Vedantam 2010-01-19 The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white

candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

Garfield, His 9 Lives Jim Davis 1984 Garfield lives his life to the fullest . . . 9 times! Cave Cat -- the first cat crawled out of the sea 10 million years ago. He was happy to be out of the water -- until he met Big Bob! The Vikings -- he was big, he was mean, he was a Viking. Garfield the Orange had looted a lot of cities, but none like St. Paul, Minnesota. Babes and Bullets -- Sam Spayed wasn't the best private investigator in the world, but he did have one terrific thing going for him -- a secretary who made a great cup of coffee. The Exterminators -- no mouse was safe from the exterminators. Catching mice was their life. It wasn't a pretty job -- especially the way they did it. Lab Animal

-- specimen 19-GB was not happy at the prospect of being dissected, so he did something about it. What happened set the federal government on its ear. The Garden -- life was a carefree romp among hovering harmonicas for Cloey and the orange kitten . . . until they confronted the crystal box. Primal Self -- he was an ordinary house cat leading an ordinary existence. A shadowy memory from another time changed all that. Garfield -- the marvelous cat we all know and love. This is his life in a nutshell. Space Cat -- he was lost in space with a computer built by the lowest bidder. And, he was not about to let his life slip away that easily.

The Absolutely True Diary of a Part-Time Indian Sherman Alexie 2012-01-10 Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

The Advocate 2002-11-12 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.
